**PRELIMINARY AMENDMENT AND RESPONSE TO RESTRICTION
REQUIREMENT**

In response to the restriction requirement mailed on January 15, 2003, and in accordance with the provisions under 37 CFR § 1.115 and 1.143, the Applicants request entry of the following preliminary amendment and election into the file of the above-identified application. Please preliminarily amend the application as follows:

In the Drawings:

In Figure 5c, the lead line for the first solderable cap 36 was inadvertently misaligned and has now been corrected. However, no new matter has been added. Enclosed is a copy of the original drawings reflecting the changes marked in red ink, and approval for these changes is hereby requested of the Examiner.
